Subject: Update on the life of St Luke Union Church

Dear Folks,

As we continue to find ourselves in strange and unique times, I wanted to update you on what the Vision and Ministry Council (VMC) and I are doing to keep the people of the church safe and connected. First, following the governor’s declaration on Tuesday, March 31, we at St Luke Union Church are not allowed to worship in physical proximity throughout the month of April. That means we are not planning for regular in-person worship until May 3rd. Even though we will not be in the church building on Palm Sunday and Easter, that does not mean Palm Sunday and Easter will not occur. This Sunday, we will welcome Jesus and on Easter, we will celebrate the resurrection. This will simply be shared in a virtual format on Facebook and YouTube. Both of these links can be found on our church website www.stlukeunion.org

The virtual worships are available at 10:30a on Sundays. However, you do not have to watch worship live; it is available any time after that day’s worship.

Please know that all church activities have also been cancelled through the month of April. This includes the confirmation retreat, the Women’s Fellowship retreat, and the spring group sale. I encourage you to use the church calendar on the website for further details on church activity and future dates.

I encourage you to continue to reach out to one another through our Share and Care Plan. As I check-in with more and more people, it brings great joy to learn another church member has already done so. We are a wonderful caring community so let’s continue to be through this time of isolation.

2 Thessalonians 2:15

So then, brothers and sisters, stand firm and hold fast to the teachings we passed on to you, whether by word of mouth or by letter.

Be at peace knowing God is with us,

Pastor Andy
